

Beginner Dog Training Tools Checklist

A handy guide for first-time dog owners

- Clicker (or marker word like 'Yes')
- Treat pouch (easy access during training)
- Long training leash (20–30 feet)
- Front-clip harness (for safe walking)
- Crate (for house training and structure)
- Training mat or place board
- Durable chew toys (for redirection)
- Interactive puzzle toy (for mental stimulation)
- Target stick (optional for shaping behaviors)
- Whistle (optional for recall training)

Tip: Start with the basics and add more tools as your dog progresses.
